```

OUTPUT:

```

Linux Privilege Escalation Checker
-----

1. Current User
desktop-350ei8q\hdc0422045

2. Sudo Permissions
No passwordless sudo permission found.

3. SUID Files
No SUID files found.

4. World-Writable Files
No world-writable files found.

5. Sensitive File Permissions

6. Writable Cron Files
No writable cron files found.

Scan Completed Successfully.
